

# Zarrentin Branch of the Plückhahn Family Tree

The Zarrentin Branch

This branch started in a small town just outside the city of Güstrow, called PARUM. Located on a lake Parum was home for this branch for many years until they moved to another town on a lake called Zarrentin. The move took place in the 1840s.

We want to thank Inga for all her help with this branch. She did alot of hard work gathering all this information.
