

# Plückhahn Cemeteries in the United States

## Eben Ezer Cemetery

Eben Ezer Lutheran Church Cemetery 2 1/2 miles W of Brenham at Berlin

This cemetery contains records for the Texas Branch

The family that is burried here is a 2nd generation son and his wife. I don't have Dorothea's maiden name. This is something we are working on. They had a Daughter Doretta. She may have married and may be burried under another surname.
